

# Have you always wanted to support women/people during childbirth?

## **Mass General Brigham Birth Partners is excited to announce scholarships for DONA International birth doula training!**

**Why?** Mass General Brigham aims to support a diverse birth doula workforce through scholarship for professional training in collaboration with Birthing Gently.

**When?** Starting now!

**Who?** Applicants should be seeking a career as a birth doula, and be able to participate in a 3 day virtual training session. Diverse background and/or language a plus.
